**Mid-East Commission-Beaufort County**

**Assistance Policy**

For the 2016 Cycle of the

**Essential Single-Family Rehabilitation Loan Pool**

**What is the Essential Single-Family Rehabilitation Loan Pool?**

The Mid-East Commission has been awarded Membership by the North Carolina Housing Finance Agency ("NCHFA") under the 2016 cycle of the Essential Single-Family Rehabilitation Loan Pool ("ESFRLP16"). This program provides Members with funds via a "loan pool" to assist with the rehabilitation of moderately deteriorated homes that are owned and occupied by lower-income, special need households. ESFRLP16 assists eligible households by facilitating aging in place, meeting minimum housing code requirements, promoting long-term affordability, lowering operating costs, and stabilizing pre-1978 homes that include children aged 6 or under whose health is threatened by the presence of lead hazards.

The Mid-East Commission has been allocated an initial set-aside of $175,000 which it plans to apply toward the rehabilitation of five houses in Beaufort County. After demonstrating successful use of the initial set-aside, the Mid-East Commission may access additional funds, when available, on a unit-by-unit basis from the ESFRLP16 loan pool.

This Assistance Policy describes who is eligible for assistance under ESFRLP16, how applications for assistance will be ranked, what the terms of assistance are, and how the rehabilitation process will be managed. The Mid-East Commission has designed the ESFRLP16 project to be fair, open and consistent with its approved application for funding and with ESFRLP16 Program Guidelines.

The funds provided by NCHFA come from the US Department of Housing and Urban Development’s (HUD) Federal HOME Investment Partnerships Program. Assistance for construction-related costs (hard costs) will be provided as no interest, no payment loans which are forgiven at the rate of $3,000 per year. Non-construction-related costs (soft costs including lead/asbestos inspections/clearances, radon testing and environmental reviews) will be provided in the form of a grant.

**Who is Eligible to Apply?**

There are three major requirements to be eligible for ESFRLP16 assistance:

1) The housing unit to be rehabilitated with ESFRLP funds must be located in Beaufort County, and must be owner-occupied. The household occupying the unit must have an elderly, disabled and/or veteran (see definitions) fulltime household member or a child aged 6 or under if there are lead hazards in the home;

2) The gross annual household income must not exceed 80% of the Area Median Income for the County (see income limit table on the following page) and;

3) The cost of rehabilitation cannot exceed the ESFRLP16 Program limit of $25,000 and must include all Essential Rehabilitation Criteria as described in the ESFRLP16 Administrator’s Manual (available online at www.NCHFA.com).
Unfortunately, not all homes can be rehabilitated to meet the Essential Rehabilitation Criteria with the limited funding available. Some otherwise-eligible households may be deemed ineligible for assistance because their homes fail this test.

**What Types Of Houses Are Eligible?**

Properties are eligible only if they meet all of the following requirements:

- The property must require at least $5,000 of improvements to meet ESFRLP Property Standards or the local minimum housing code.
- Site-built and off frame modular units are eligible for assistance. Manufactured housing is not eligible for assistance.
- No more than fifty percent (50%) of the total area of the unit may be used for an office or business (e.g. day care). Program funds may only be used to improve the residential portion of mixed-use buildings.
- The property must be free of environmental hazards and other nuisances as defined by all applicable codes or regulations, or any such hazards or nuisances must be corrected as part of the rehabilitation of the home. The Mid-East Commission’s Rehabilitation Specialist will determine the presence of any known environmental hazards/nuisances on the site and if they can be removed through rehabilitation.
- Properties cannot be located in the right-of-way of any impending or planned public improvements. The Mid-East Commission staff will assist in making this determination.
- The property cannot be located on a site that is endangered by mudslides, landslides or other natural or environmental hazards. If needed, the Rehabilitation Specialist will work with the homeowner to make this determination.
- The property cannot be located in the 100 year flood plain (*The Mid-East Commission will verify whether the home is in the flood plain.*)
- The property cannot have been repaired or rehabilitated with public funding of $25,000 or more within the past 10 years without NCHFA approval.

*Income limits are subject to change based on annually published HUD HOME Limits.*
**How are applications ranked?**

There are many more ESFRLP-eligible households (with eligible houses) than can be assisted with the available funds. Therefore, the Mid-East Commission has devised the following priority system to rank eligible applicants, determine which of them will be selected for assistance and in what order. Under this system, applicants will receive points for falling into certain categories. Applications will be ranked according to which receive the most points. If there are more eligible applicants with eligible houses than can be treated with existing funding, the Mid-East Commission may be able to treat additional houses with unrestricted pool funds. Pool applicants will come from the original applicant list and be considered according to which received the most points. If alternate pool applicants are not identified on the original applicant list and must be solicited, the solicited, eligible, pool applicants will be selected on a first come first served basis.

**Definitions** under ESFRLP16 are:

- **Elderly**: An individual aged 62 or older.
- **Disabled**: A person who has a physical, mental or developmental disability that greatly limits one or more major life activities, has a record of such impairment, or is regarded as having such an impairment.
- **Head of Household**: The person or persons who own(s) the house.
- **Household Member**: Any individual who is an occupant (defined below) of the unit to be rehabilitated shall be considered a “household member” (the number of household members will be used to determine household size and all household members are subject to income verification).
- **Occupant**: An occupant is defined as any immediate family member (mother, father, spouse, son/daughter of the head of household who has resided in the dwelling unit for at least 3 months prior to the submission of the family’s application.
- **Veteran**: A person who is a military veteran, is defined as one who served in the active military, naval, or air service (i.e. Army, Navy, Air Force, Marine Corps, and Coast Guard; as a commissioned officer of the Public Health Service; or as a commissioned officer of the National Oceanic and Atmospheric Administration or its predecessors), and who was discharged or released there from under conditions other than dishonorable.
Recipients of assistance under ESFRLP will be chosen by the above criteria without regard to race, color, religion, national origin, sex, familial status and disability.

**What Are The Terms of Assistance Under ESFRLP16?**
The form of ESFRLP assistance is a 0% interest, forgivable loan covering the hard costs associated with the rehabilitation of the home and a grant for the soft costs. These will be two separate documents or sets of documents.

**The Loan:** To provide assistance to households selected for the project, NCHFA will create loan documents including a Promissory Note and Deed of Trust covering hard costs for the rehabilitation in an amount not to exceed $25,000. This loan covering the hard costs remains 0% interest and forgivable at $3,000 per year for as long as the owner resides in the home or until the balance is reduced to $0. The term of the loan is dependent upon the loan amount and the number of years it takes to bring the balance of the loan to $0 when forgiven at $3,000 per year. For example, if the amount of the loan is $21,452, then the term is 8 years ($21,000 forgiven over the first 7 years and $452 forgiven at the end of the 8th year). The maximum term of the loan will be nine years.

As long as the borrower lives in the home, no payments on the loan will be required. If the recipient prefers, the loan can be paid off at any time to NCHFA, either in installments or as a lump sum payment. Furthermore, under certain circumstances NCHFA may allow assumption or refinancing of the loan. Should an heir inherit the property and choose to live in the house as their permanent residence, they may assume the loan without being income eligible. However, the lien remains on the property. A buyer who may wish to buy the property to live in may assume the loan so long as they can document that they are income-eligible (≤ 80% AMI). Default can occur if the property is sold or transferred to another person and/or if the borrower fails to use the home as a principal residence, without prior written approval of the North Carolina Housing Finance Agency.

**The Grant:** To pay for soft costs including application outreach/intake/management, environmental reviews/inspections/testing and project assessment/documentation/estimating/bidding, NCHFA will create a Grant Agreement not to exceed $10,000. The grant has no repayment or recovery terms.

**What Kinds Of Work Will Be Done?**
Each house selected for assistance must be rehabilitated to meet ESFRLP16 Rehabilitation Criteria. That means every house must, upon completion of the rehabilitation:

- meet the more stringent requirements of either NCHFA's Essential Property Standard or the applicable Minimum Housing Codes within Beaufort County (These are so-called "habitability standards" which set minimum standards for decent, safe and sanitary living conditions.) Additionally, the home must meet applicable Lead-Based Paint regulations 24 CFR part 35.
- retain no "imminent threats" to the health and safety of the home's occupants or to the home's "structural integrity". (An example of an imminent threat to occupants
as well as to the home’s structural integrity is an infestation of insects or a crawl space that is too damp).

These requirements are spelled out in full in the ESFRLP16 Administrator’s Manual which you may view, at reasonable times, upon request, at the Community Development office of the Mid-East Commission or anytime online at www.NCHFA.com.

In addition to the above items that must be done to satisfy NCHFA requirements, the scope of work may include approved items meant to reduce future maintenance and operational costs or to further protect homes from natural disasters and/or home modifications designed to enable greater accessibility for household members to function more independently as they age.

Once the rehabilitation is complete, major systems in the home that, with reasonable maintenance and normal use, should be capable of lasting another 5 years include: structural support, roofing, cladding and weatherproofing, plumbing, electrical and heating/cooling systems.

Of course, contractors performing work funded under ESFRLP16 are responsible for meeting all local requirements for permits and inspections. All work done under the program must be performed to meet NC State Residential Building Code standards. (This does not mean, however, that the whole house must be brought up to current Building Code Standards.)

**What About Lead-based Paint?**
Until it was discovered to be a health hazard, lead was used for centuries to make house paints. Now we know that lead exposure is a serious problem for everyone and especially small children. Selling lead paint was outlawed in 1978, but many older buildings still contain lead paint and children are still being poisoned.

Under ESFRLP16, a lead hazard evaluation must be performed on every home selected for rehabilitation that was built before 1978. The specific type of evaluation and the appropriate lead hazard reduction work performed will depend on the total amount of Federal funds used to rehabilitate the home, as per 24 CFR part 35. If required, lead-based paint hazard reduction and/or abatement will be performed by contractors who are trained and certified to perform such work.

It may be necessary for the household to relocate during the construction process for protection against lead poisoning. If relocation is required, it shall be the responsibility of the homeowner to pay for the relocation.

**Who Will Do The Work On The Homes?**
The Mid-East Commission is obligated under ESFRLP16 to ensure that quality work is done at reasonable prices and that all work is contracted through a fair, open and competitive process. To meet these requirements, the Mid-East Commission will invite bids only from licensed general contractors who are part of an “Approved Contractors Registry”. For additional information about procurement and
disbursement procedures, please refer to the ESFRLP16 Procurement and Disbursement Policy for the Mid-East Commission.

- All qualified members of the Approved Contractors Registry will be invited to bid on each job, and the lowest responsive and responsible bidder will be selected for the contract.

- All contractors working on pre-1978 units must be Renovate, Repair and Paint Rule (RR&P) Certified Renovators working for Certified Renovation firms.

- Homeowners who know of quality rehabilitation contractors that are not on the approved contractors' registry are welcome to invite them to apply.

What Are The Steps In The Process, From Application To Completion?
You now have information about how to apply for the Essential Single-Family Rehabilitation Loan Pool and what type of work can be done through the Program. Let's go through the steps for getting the work done:

1. **Completing a pre-application form**: Homeowners who wish to apply for assistance must do so by December 12, 2016. Apply by contacting Robin Baker, Project Assistant, at (252) 757-1096. Proof of ownership and income will be required. Those who have applied for housing assistance from the Mid-East Commission in the past will not automatically be reconsidered and must complete a new pre-application form.

2. **Client Referral and Support Services** Many homeowners seeking assistance through the Essential Single-Family Rehabilitation Loan Pool may also need other services. If the ESFRLP staff meet the homeowner during the application process, they will provide pamphlets and a list of the agencies with contact information for the resources and programs available in the County. For households that meet the requirements of the pre-application step and qualify to receive assistance through the ESFRLP program, additional verbal discussion will be offered during the Screening of applicants and/or Pre-rehab inspection steps of the program.

3. **Preliminary inspection**: The Mid-East Commission's Rehabilitation Specialist will visit the homes of eligible households to determine the need and feasibility of the home for rehabilitation.

4. **Screening of applicants**: Applications will be ranked by the Mid-East Commission based on the priority system outlined on page 3 and the feasibility of rehabilitating the house. Households to be offered assistance will be selected by January 20, 2017. Household income will be verified for program purposes only (information will be kept confidential). NCHFA will verify ownership of the property by conducting a title search. From this review, the five (5) most qualified applicants will be chosen according to the priority system described above; there will be a list of up to five (5) alternates. The Mid-East Commission will then submit to NCHFA an ESFRLP16 Loan Application and Reservation Request for each
potential borrower for approval. Applicants not selected for ESFRLP assistance will be notified in writing.

5. **Written agreement:** A Homeowner Written Agreement, between the homeowner and the Mid-East Commission, will be executed as part of the Loan Application and Reservation Request procedure (that formally commits funds to a dwelling unit). This agreement will certify that the property is the principal residence of the owner, that the post-rehab value of the property will not exceed 95% of the 203(b) limits established by HUD and defines the ESFRLP maximum amount and form of assistance being provided to the homeowner, the scope of work to be performed, the date of completion and the rehabilitation criteria and standards to be met.

6. **Pre-rehab inspection & unit evaluation:** The Mid-East Commission’s Rehabilitation Specialist will visit the home again for a more thorough inspection. All parts of the home must be made accessible for inspection, including the attic and crawlspace. The owner should report any known problems such as electrical short circuits, blinking lights, roof leaks, etc. Each unit will be evaluated for energy-saving opportunities such as air-sealing and duct-sealing as well as for environmental concerns, such as lead based paint hazards, radon and asbestos.

7. **Work write-up:** The Rehabilitation Specialist will prepare complete and detailed work specifications (known as the "work write-up"). A final cost estimate will also be prepared by the Rehabilitation Specialist and held in confidence until bids are received from contractors.

8. **Lead and Other Testing:** The Mid-East Commission will arrange for a certified firm to inspect all the pre-1978 constructed homes for potential lead hazards and asbestos hazards if suspect material is identified. All homes will be tested for radon. The owner will receive information covering the results of the tests and any corrective actions that will be needed as part of the rehabilitation.

9. **Bidding:** The work write-up and bid documents will be conveyed to all contractors from the Approved Contractors Registry who will be given no less than seven days in which to inspect the property and prepare bid proposals. Each contractor will need access to all parts of the house in order to prepare a bid. A bid opening will be conducted in the first floor Conference Room located at the Mid-East Commission, 1385 John Small Avenue, Washington, NC, at a specified date and time, with all bidders invited to attend.

10. **Contractor selection:** Within 72 hours of the bid opening, the winning bidders will be selected. All bidders and the homeowner will be notified of 1) the selection of the winning bid, 2) the amount of the winning bid, 3) the amount of the County's cost estimate, and 4) the specific reasons for the selection, if other than the lowest bidder was selected.

11. **Loan closing and contract execution:** Loan documents (Promissory Note and Deed of Trust) will be prepared by NCHFA as the lender and executed by the homeowner. By law, homeowner's have the right to hire legal representation of
their choosing at loan closing. If a homeowner does not have “representation” at the closing, the borrower must sign a NCHFA "Unrepresented Borrower Affidavit". Rehabilitation contract documents will be executed by the homeowner and contractor with the Mid-East Commission signing on as an interested third party prior to the commencement of any construction. The Mid-East Commission will facilitate with the loan closing and recordation of these documents and forward the recorded documents to NCHFA.

12. **Pre-construction conference**: A pre-construction conference will be held at the selected applicant’s home. At this time, the homeowner, contractor and ESFRLP Program representatives will discuss the details of the work to be completed. Starting and ending dates will be finalized, along with any special arrangements such as weekend or evening work hours and disposition of items to be removed from the home. The Mid-East Commission will issue a "proceed order" formally instructing the contractor to commence work by the agreed-upon date.

13. **Construction**: The contractor is responsible for obtaining and posting all permits for the project before beginning work. The Mid-East Commission ESFRLP Program staff will closely monitor the contractor during the construction period and local Code Enforcement Officials will inspect the work. To protect personal property the homeowner will be responsible for working with the contractor toward clearing work areas of personal property as needed as much as practicable. The contractor will be responsible for all clearing and cleaning activities necessary due to construction activities.

14. **Change Orders**: All changes to the scope of work must be approved by the owner, the contractor, the Mid-East Commission’s Rehabilitation Specialist, and the Mid-East Commission’s Program Administrator and reduced in writing as a contract amendment ("change order"). The owner, contractor and two (2) Mid-East Commission personnel must execute any change order agreements to the construction contract.

15. **Progress payments**: The contractor is entitled to request two partial payments and a final payment. When a payment is requested, the Rehabilitation Specialist will inspect the work within three days.

16. **Closeout**: When the Rehabilitation Specialist and the Homeowner are satisfied that the contract has been fulfilled, the Homeowner, Project Administrator and Rehabilitation Specialist will sign off on the work. All material and workmanship will be guaranteed by the contractor for a period of one-year from the date of completion of the work.

17. **Post-construction conference**: Following construction, the contractor and the Rehabilitation Specialist will sit down with the Homeowner one last time. At this conference the contractor will hand over all owner’s manuals and warranties on equipment and materials to the homeowner. The contractor and Rehabilitation Specialist will go over operating and maintenance requirements for the new equipment, materials and appliances and discuss general maintenance of the
home with the Homeowner. The Homeowner will have the opportunity to ask any final questions about the work.

18. Final loan amount determination: If, upon completion of all rehabilitation work, the contract price has changed due to the effect of change orders, NCHFA will prepare an estoppel for a loan reduction or modification agreement for loan increases as necessary at the time of closeout of the unit to modify the loan amount when there is need for a change order involving a change in the original loan amount. The loan will remain the property of NCHFA, with original documents remaining there for storage and "servicing. Please note that it is the responsibility of the owner to record an estoppel if they wish this to be reflected in the Deed of Trust.

The warranty period: It is extremely important that any problems with the work that was performed be reported by the homeowner to the Mid-East Commission’s Rehabilitation Specialist or other representative, as soon as possible. All bona fide defects in materials and workmanship reported within one year of completion of construction will be corrected free of charge by the Contractor.

What are the key dates?
If, after reading this document, you feel that you qualify for this program and wish to apply, please keep the following dates in mind:

- Applications available to the public starting November 21, 2016.
- Applications must be turned in at the Mid-East Commission by 5:00 PM on December 12, 2016.
- Selection of units will be made on January 20, 2017.
- All rehabilitation work must be under contract by December 31, 2018.
- All rehabilitation work must be completed by June 28, 2019.

How do I request an application?
Contact:
Robin Baker, Project Assistant
The Wooten Company
301 W 14th Street
Greenville, NC 27834
Phone: (252) 757-1096

Or: pick up an application at the Mid-East Commission located 1385 John Small Avenue, Washington, NC 27889.

The Essential Single Family Rehabilitation Loan Program will be marketed through an advertisement in the Washington Daily News, which is the local Beaufort County newspaper, and will be posted on the Mid-East Commission website. Additionally, each unit of local government in Beaufort County will receive information which can be posted at the respective Town Hall or Community Building.
Is there a procedure for dealing with complaints, disputes and appeals?
Although the application process and rehabilitation guidelines are meant to be as fair as possible, the Mid-East Commission realizes that there is still a chance that some applicants or participants may feel that they are not treated fairly. The following procedures are designed to provide an avenue for resolution of complaints and appeals.

During the application process:
1. If an applicant feels that his/her application was not fairly reviewed or rated and would like to appeal the decision made about it, he/she should contact Kevin Richards, Planning Director, within five days of the initial decision and voice their concern. If the applicant remains dissatisfied with the decision, the detailed complaint should be put into writing.
2. A written appeal must be made within 10 business days of the initial decision on an application.
3. The Mid-East Commission will respond in writing to any complaints or appeals within 10 business days of receiving written comments.

During the rehabilitation process:
1. If the homeowner feels that construction is not being completed according to the contract, he/she must inform the contractor and the Rehabilitation Specialist.
2. The Rehabilitation Specialist will inspect the work in question. If he finds that the work is not being completed according to the contract, the Rehabilitation Specialist will review the contract with the contractor and ask the contractor to correct the problem.
3. If problems persist, the homeowner must put the concern in writing and a mediation conference between the homeowner and the contractor may be convened by the Rehabilitation Specialist and facilitated by the Mid-East Commission's Planning Director.
4. Should the mediation conference fail to resolve the dispute, the Finance Officer will render a written final decision.
5. If the Rehabilitation Specialist finds that the work is being completed according to contract, the complaint will be noted and the Rehabilitation Specialist and the homeowner will discuss the concern and the reason for the Rehabilitation Specialist's decision.

Final Appeal:
After following the above procedures, any applicant or homeowner who remains dissatisfied with the Mid-East Commission's final decision may appeal to Michael Handley, NCHFA, PO Box 28066, Raleigh, NC 27611-8066, (919) 877-5627.

Will the personal information provided remain confidential? Yes. All information in applicant files will remain confidential. Access to the information will be provided only to the Mid-East Commission employees and their consultants who are directly involved in the program, the North Carolina Housing Finance Agency, the US Department of Housing and Urban Development (HUD) and auditors.
What about conflicts of interest? No employee or board member of the Mid-East Commission, or entity contracting with the Mid-East Commission, who exercises any functions or responsibilities with respect to the ESFRLP16 project shall have any interest, direct or indirect, in any contract or subcontract for work to be performed with project funding, either for themselves or those with whom they have family or business ties, during their tenure or for one year thereafter. Relatives of the Mid-East Commission employees or of the Mid-East Commission board members and others closely identified with, may be approved for rehabilitation assistance only upon public disclosure before the Mid-East Commission Board of Commissioners and written permission from NCHFA.

What about favoritism? All activities under ESFRLP16, including rating and ranking applications, inviting bids, selecting contractors and resolving complaints, will be conducted in a fair, open and non-discriminatory manner, entirely without regard to race, color, religion, national origin, sex, familial status and disability.

Who can I contact about the ESFRLP16 program? Any questions regarding any part of this application or program should be addressed to:

Kevin Richards, Planning Director
Mid-East Commission
1385 John Small Avenue
Washington, NC 27889
Phone: (252) 974-1823

Brendan Nolan, Rehab Specialist
The Wooten Company
301 W 14th Street
Greenville, NC 27834
Phone: (252) 757-1096

This Assistance Policy is adopted this 17th day of November 2016.

Chairman
Mid-East Commission Board of Directors

Attest

Mary Phillips-Williams
